

Building and Strengthening Workplace Relationships & Culture

2-Hour or Half-Day Workshop

Vinay Kumar, PCC

Executive & Leadership Coach • Author • Faculty • Speaker

Program Description

In today's increasingly complex and rapidly changing environment, work is increasingly accomplished through collaborative efforts of many. Therefore, differences are a positive force, if you know how to harness them.

Extraordinary collaboration, teamwork, and results are achieved on the foundation of extraordinary relationships. Thus, building and strengthening relationships is essential to attaining individual and collective success.

This process of relationship development creates a shift from surviving to thriving, driving creativity and innovation, creating breakthroughs, ensuring relevancy, and sustaining a desired future state.

In this program, leaders will learn:

- Behaviors that distinguish highly effective leaders from all others – and why that matters.
- The 5 key competencies required for leadership success.
- The role and importance of relationships in business.
- The 4 relationship toxins that damage relationships and workplace culture.
- Ways to neutralize the 4 toxins, to strengthen culture, relationships, and business results.

Value to Participants

You will understand what breaks down relationships, teamwork, and collaboration, compromising results. Additionally, you will learn the types of specific actions you can take to build and strengthen your networks of relationships. Doing this will support you in achieving greater success, individually and collectively.
